## **Academic Programme Information**

- Study Time:** Full Time: Weekdays (13.30 - 16.30 hrs.)  
Part Time: Weekday evenings (18.00 - 21.00 hrs.)  
Weekends (9.00 - 12.00 hrs./13.30 - 16.30 hrs.)
- Class Format:** At CMMU, we believe in problem-based learning, in which students apply their knowledge to solve management and business problems. We emphasize learning by doing in teams where experienced instructors take the role of coach rather than lecturer. Most classes include a group project that includes a presentation of findings. Group projects count for 25% of the course grade.
- Class Size:** Maximum 30 students per course
- Full-time Workload:** 4 courses (12 credits) per semester
- Course Selection:** Exchange students can take courses offered by all international study programmes. Specialisation courses are strongly recommended for enrollment. Core courses and foundation ones are general and introduction. Course descriptions can be found on the website: <http://www.cmmu.mahidol.ac.th> at “Programs” and “International Programs”.
- Grading System:** The mode of assessment in the classes depends on the instructor. While most classes have midterm and final examination, some also require papers, class participation and presentation. Class attendance is mandatory, and if your attendance falls below 80%, you may be dropped from the course. Course outline with grading criteria for each course should be announced or handed to the students in the beginning of the course.

Further information about the accommodation is available in the handbook 'Study Abroad at CMMU'.

## ***Estimated Living Expenses***

Exchange students should expect to spend between US\$ 400 - 600 per month on housing, meals, transportation and etc. This may vary according to personal requirements.

## ***Health Insurance***

Exchange students must obtain 'Travel Insurance' (covering hospitalization, medical expenses, lost luggage, etc.). This kind of insurance can be purchased through travel agents and should be obtained before coming to Thailand.

The following private hospitals and clinics in Bangkok are amongst those that can be recommended:

- Bumrungrad Hospital, Sukhumvit Soi 3, Tel: 02 667 1000
- Samitivej Hospital, Sukumvit Soi 49, Tel: 02 711 8000
- Bangkok Hospital, Soi Soonvijai 7, New Petchburi Road, Tel: 02 310 3000

In Thailand, doctors do not usually make house calls. If exchange students need to consult a doctor the usual way is to visit a hospital or clinic, and the quickest way to do so is to take a taxi.

## ***Visa Requirement***

Exchange students are required to obtain an education visa from the Royal Thai Embassy or the Royal Thai Consulate-General in the applicant's country of residence. To apply for an education visa (Non-Immigrant 'ED' Visa), exchange students must possess a valid passport and a letter of acceptance from CMMU. The visa applicant must be outside Thailand at the time of application. If exchange students are planning to travel out of Thailand during their study, an application for 'Multiple Entry' is recommended.

## ***Programme Orientation***

The International Relations Office organises an orientation for new exchange students at the beginning of fall and spring terms. It is mandatory for new exchange students. The programme orientation provides participants with an introduction to CMMU, to Bangkok, to Thai way of life, and the CMMU academic system. Besides, the orientation programme enables exchange students to complete the registration procedure, meet some members of academic staff and participate in the on-site tour. Therefore, it is vital for exchange students to attend the orientation programme as mentioned date, time and place.
