

18th GBA Speaker Series

Understanding Technology VR & AR

가상 및 증강현실 소개 및 향후 동향

일시 : 11. 1일(금) 4:00~5:30 p.m.
장소 : 국제관 90110호

김정현 교수님 (고려대학교 컴퓨터공학과 교수)

Education

PhD, Computer Science, University of Southern California, 1990 – 94

Advisor: George A. Bekey, Thesis Title: "Design for Assembly by Reverse Engineering"

MS, Computer Engineering, University of Southern California, 1988 – 89

BS, Electrical & Computer Engineering, Carnegie Mellon University, 1983 – 87

Experience

Professor, 2006 - present Dept. of Computer Science and Engineering, Korea University, Seoul, Korea

Graduate program coordinator: 2018 – present Vice Dean, College of Informatics: 2013–15

Department head: 2009–2011

Visiting Researcher, 2019-20 Maxst, Inc., Seoul, Korea

Visiting Scholar, 2012-13

Graduate School of Cultural Technology, KAIST, Daejeon, Korea

Visiting Scholar, 2002-03

Integrated Media Research Center, University of Southern California, Los Angeles, CA, USA

Assoc. Professor, 1996 - 2006

Pohang University of Science and Technology (POSTECH), Pohang, Korea

Computer Scientist / US National Research Council Postdoctoral Fellow, 1994 - 96

National Institute of Standards and Technology (NIST), Gaithersburg, MD, USA
