Language of	<p>All courses are taught in English.</p>

Instruction:

Language Requirement: All exchange students must be proficient in English. (TOEFL is required if medium of instruction at tertiary level is not in English.)

Language Courses: No.

Academic/ Experience Requirements: 1) A bachelor's degree; and
2) At least 2 years' working experience (after graduating with a Bachelor's degree) at the time of exchange.

Full-time Workload: Exchange students may offer up to a maximum of FOUR full courses, totalling 156 contact hours per trimester.

We offer:

(a) full courses, which entail 12 weekly seminars of 3.25 hours duration, and a written examination in the 13th week (total 39 class contact hours); and

(b) half courses, which entail 6 weekly seminars of 3.25 hours duration, and a written examination in the 7th week (total 19.5 class contact hours).

One full course is equivalent to 2 half courses. Courses which do not have final examinations are assessed 100% on coursework.

Learning Expectations:

Classes are conducted in seminar style. The average class size is 40. Assessment is based on a combination of methods which may include:

- (a) Group Project and Presentation
- (b) Class Participation
- (c) Mid-Term Quiz
- (d) Final Examination

The weightage given for each method of assessment varies for different courses. The total weightage is 100%.

Grading:

The university uses the Grade Point Average (GPA) System with the following grades:

<u>Grade</u>	<u>Grade Point</u>	<u>Marks Range</u>
A+	5.00	85-100
A	5.00	80-84
A-	4.50	75-79
B+	4.00	70-74
B	3.50	65-69
B-	3.00	60-64
C+	2.50	55-59
C	2.00	50-54
D+	1.50	45-49
D	1.00	40-44
F	0.00	0-39

Notations without grade points:

- * = Course with Pass/Fail grading only
- AT = By Attendance Only
- IP = In Progress
- W = Withdrawal
- X = Absent

Exams:

The final exam will be held on the last week of the trimester (week 13) for a full course or the sixth or seventh week of the trimester (week 6 or 7) for a half course.

Exams can be written or in the form of a project; written exams must be taken at the specified time. Exchange students participate in exams and projects just as our full-time MBA students.

Visa:

Upon arrival in Singapore, exchange students are to call at the Office of Finance, Level 3, Student Services Centre, to make payment for academic

and other expenses before heading to the International Student Centre (located next to the Student Services Centre) to apply for the student pass.

It is advisable for students to arrive before the start of the trimester as they are required to go to the Immigration & Checkpoint Authority Office, Student Pass section, 10 Kallang Road, Singapore 208718 to collect their student passes.

If the exchange period of study at Nanyang Technological University (NTU) is more than six months, exchange students are required to undergo the Human Immunodeficiency Virus (HIV) and Tuberculosis (TB) medical tests. The HIV and TB medical tests must be done at the NTU Medical Centre. The issuing of the Student Pass to exchange students, by the Immigration & Checkpoint Authority, is subject to the passing of the HIV and TB medical tests. Exchange students who fail any of these medical examinations will not be admitted and will be repatriated to their home country at their own cost.

Facilities:

To accomplish the mission of providing top quality business and management education, Nanyang Business School (NBS) has put in place the following facilities and e-learning infrastructure, all of which contribute to creating a world-class learning environment.

NTU @ One-North Executive Centre

Conveniently located at 11 Slim Barracks Rise (off North Buona Vista Road), the NTU @ One-North Executive Centre makes it easy for busy professionals to obtain MBA and executive training.

Financial Trading Room

The Financial Trading Room features cutting-edge hardware and software, including live market data feed from Reuters, to support teaching and research in financial engineering and high-tech finance.

Education Online

Many MBA courses now use edveNTUre, part of the University's initiative in e-learning. As the online courseware delivery platform, it enables instructors and participants to create an online community of learning, interaction and collaboration. Listings of course materials, communication, discussions, announcements, assessments and submission of project work or assignments can be done online.

Graduate Wing

This is a dedicated facility for MBA participants. There are ten custom-built seminar rooms designed for optimum class interaction. Discussion rooms, seminar rooms and computer facilities incorporating the latest software and hardware are available 24 hours everyday. A dedicated MBA lounge provides a setting for more casual and relaxed interaction.

NTU Library

The Nanyang Technological University Library was set up in August 1981 and it now comprises 3 component libraries, namely, Lee Wee Nam Library, Library 2 and Media Resource Library. The huge library houses an amazing collection of some 430,000 volumes. Library users also have access to an extensive range of business information resources such as Bloomberg, Dow Jones, Reuters, I/B/E/S, Datastream, the Economist Intelligence Unit, LEXIS-NEXIS and some 100 other databases, as well as thousands of electronic journals from established publishers.

Sports and Recreational Facilities

The University pursues a 'Sports for All' philosophy. Being equipped with some of the best sporting facilities that can be found in a local tertiary institution, there are numerous sporting activities going on almost

everyday. Catering to various talents and interests, these activities offer another avenue for the students to enrich their experience at the University and to meet a wider range of people.

Indoor facilities

- Multi-Purpose Sports Halls (including badminton courts)
- Activity Rooms
- Table Tennis Room
- Squash Courts
- Gymnasiums

Outdoor facilities

- Bouldering Wall (besides Hall of Residence 6)

Student Services: The Student Ex-co and the Nanyang MBA Alumni Association (MBAAA) organise a variety of professional development and social activities during the academic year; most of the events are open to exchange students.

A **buddy system** ensures exchange students are provided with a buddy to assist them in settling down quickly into the new environment.

Orientation: A half day orientation is conducted for all exchange students on the first day of each trimester.

Career services: The MBA Career Services in the Nanyang Business School organises several recruitment-related activities each year. Most of the services are available to exchange students except the on-line job portal and 1-to-1 career counselling.

Exchange Coordinator Services: The exchange coordinator acts as the exchange students' main contact person in the MBA office.
