Campus life

Large enough to find plenty to do, but still small enough to run into people you know, Tilburg is an idyllic, entrepreneurial and cultural city with a packed calendar of public events of all kinds. A true university city too; with a population of 27,000 students, every 1 out of 8 individuals is a student!

Tilburg inspires and surprises. “I didn’t realize that Tilburg is such an interesting city,” is one of the most frequently heard comments from first-time visitors. There is so much to see and do, not least in the field of arts and culture. Once you have experienced the ‘Burgundian lifestyle’ for which the region is so renowned, we know that you’ll be back for more (source: www.vvvtilburg.nl).

With our green campus designed to be fast and easy to navigate, you will be able to stroll between the library and your lecture hall or your favorite coffee café in no time. All university buildings are within walking distance from each other and set amidst landscaped gardens and open green spaces. Students say the atmosphere is very welcoming and intimate, which makes them feel at home easily.
